

Alaska Land Mobile Radio New User Policy

1. Applicability

This policy applies to all agencies desiring to operate on the Alaska Land Mobile Radio (ALMR) Communications System. Any substantial revision or update of this policy must be approved by the User Council.

2. Policy

The ALMR Cooperative Agreement requires all agencies to execute a Membership Agreement before they can operate on the System. The Operations Management Office and System Management Office will promote and encourage membership of tribal entities, local, State of Alaska (SOA), Department of Defense (DOD), and Federal Non-DOD agencies to participate in ALMR.

3. Procedures

All user agencies must complete a Membership Agreement and receive approval from the Executive Council, or their designated representative, before being authorized to operate on the ALMR System.

The Membership Agreement outlines the roles and responsibilities for member agencies utilizing ALMR and must be renewed annually.

Agencies that do not execute a Membership Agreement, or provide required confirmation of continuing membership annually on ALMR, when requested, will be denied access to the System.

4. Effective Date

This policy shall become effective upon signature and shall remain in effect until rescinded. The policy shall be reviewed periodically and updated, as required.
